## **Collect, second Sunday of Easter**

God of everlasting mercy, who in the very recurrence of the paschal feast kindle the faith of the people you have made your own, increase, we pray, the grace you have bestowed, that all may grasp and rightly understand in what font they have been washed, by whose Spirit they have been reborn, by whose Blood they have been redeemed.

## **From the Catechism, on prayer in the Christian life, nn. 2637-2638**

### *The prayer of thanksgiving*

Thanksgiving characterizes the prayer of the Church which, in celebrating the Eucharist, reveals and becomes more fully what she is. Indeed, in the work of salvation, Christ sets creation free from sin and death to consecrate it anew and make it return to the Father, for his glory. The thanksgiving of the members of the Body participates in that of their Head. As in the prayer of petition, every event and need can become an offering of thanksgiving. The letters of St. Paul often begin and end with thanksgiving, and the Lord Jesus is always present in it: "Give thanks in all circumstances; for this is the will of God in Christ Jesus for you" (1 Thess 5:18); "Continue steadfastly in prayer, being watchful in it with thanksgiving" (Col 4:12).
